SPEARS GAMES

MADE IN ENGLAND

ACTIVITY GAMES

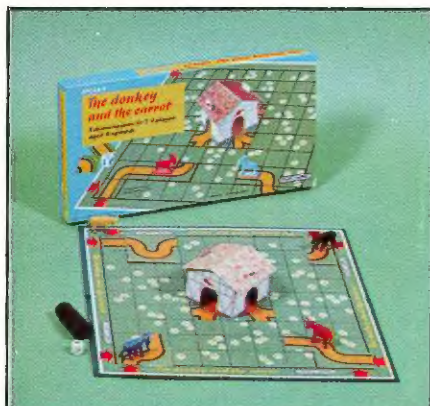

No. 2003 WALL RING TOSS

Six rubber rings to toss onto stationary hooks imbedded into a sturdy 3/8" thick plywood wall board. A top quality family fun game.

No. 2004 JOEY RING TOSS GAME

This jolly little clown, 8 1/2" high, is waiting to catch the five rubber rings which are tossed at him. Made of heavy-duty cardboard and attractively boxed. Collapsible for easy storage. This fellow is certain to score big sales for you.

No. 1224 THE DONKEY AND THE CARROT GAME

Something really different in a board game, for youngsters from 4 to 84. First build a path, then maneuver your donkey into the barn. Great family fun.

No. 1225 STICK-EM-UP CARD GAME

A challenging new card game for 3 to 12 players, age 6 to adult. 36 heavy-duty, jumbo playing cards with full color pictures of different wild-west characters. A great party game.

No. 1226 FIVE GAMES-IN-ONE

5 popular games packed in one compact box. Perfect for travel or sick-bed. All games for 1 or 2 players.

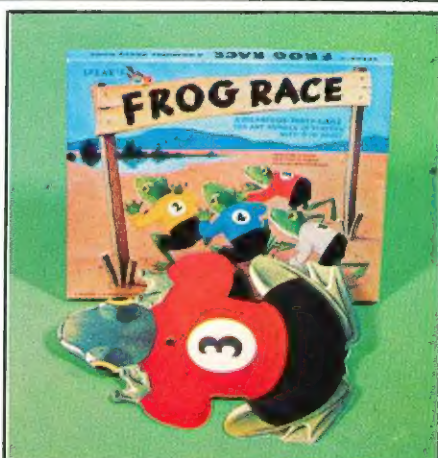

No. 2020 HUNGRY HARRY Here is the orneriest cowboy in the west. Over 12" tall. Throw the six colored balls in Harry's big open mouth and watch them roll out to score points on his game board. Ages 5 to adult.

No. 1220 ALICE IN WONDERLAND

Takes the players on an exciting journey through Wonderland as Alice and her friends, face the obstacles of the looking glass which can set them backwards, or forward and meet all the strange characters who inhabit this wonderful land of make-believe. In addition to the game, the original story of "Alice in Wonderland" is enclosed, for the child's reading pleasure. For 2 - 6 players, age 6 years and up.

No. 2041 FROG RACE

Up to four players at a time can race these brightly colored 10" frogs by attaching and working the string so as to hop their frog along the ground to win. Ages 6 to Adult.

No. 1902 MAGNETIC FISH POND

The challenge of outdoor fishing at home. Contents include 10 plastic fish, 4 rods, magnets and a sturdy colorful "pond".

No. 1901 MAGNETIC FISH POND

JUNIOR SIZE — 5 fish, 2 rods

No. 2032 MOUSIE-MOUSIE

Great party game that will provide laughter and excitement galore. Everyone can take turns in trying to catch "running" mice. Up to 7 can play, ages 6 to adult.

No. 1545 CHESS SET WITH BOARD

A game of concentration! Set includes a sturdy checkered board with handsomely styled, flock-based, solid plastic chessmen. King is 2-11/16" high - other pieces in proportion. Full instructions included.

EDUCATIONAL GAMES

SPEAR'S GAMES

MADE IN ENGLAND

No. 5502

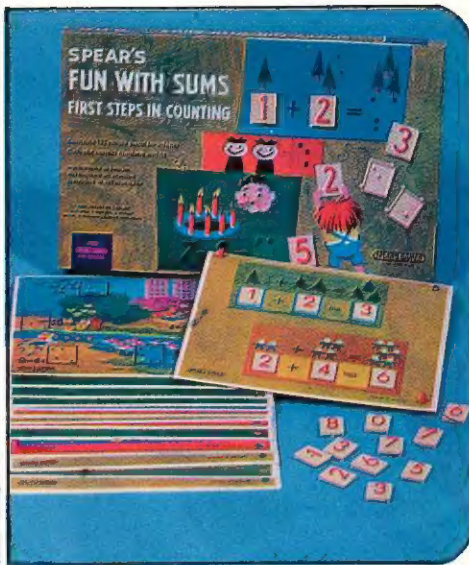

SPELLMASTER

Here's something unique in educational toys. 100 pictures with words to spell and 80 plastic letters designed so that only the correct ones will fit. Guide sheet included. Designed to motivate your child to learn and to make spelling interesting for ages 5 to 7.

No. 5503

FUN WITH SUMS

First steps in counting. 20 brilliantly designed cards with a total of 121 different units, easily recognized on first sight by a child, to aid him in identifying numbers and learning to count. 36 number tiles from which to choose the right answer to each unit; only the correct ones will fit for each problem. Children will learn while having fun. For ages 5 to 7.

No. 1230 CHANGE-THE-WORD

An exciting learn-while-you play game for 2 to 6 players, ages six to adult. Set includes 24 syllables and 110 letters, made of extra heavy cardboard, and a plastic sorting tray. A word is started with a syllable. Each player scores by adding letters and changing the word. Excellent medium for expanding one's vocabulary.

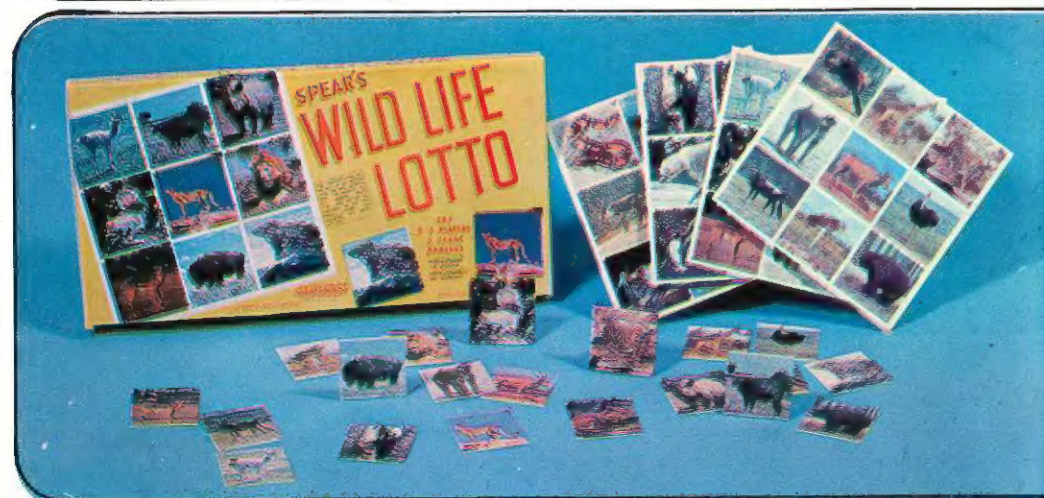

No. 1183 HEX COLOR MATCHING

A delightful color-matching game for 2 to 6 players, age four and up. Also an excellent solitaire game. Complete with score-board.

No. 1185 RAINBOW TOWERS

An exciting game for the younger children, particularly those not yet able to count. They will enjoy building the Rainbow Towers in competition with each other, governed by the fall of the color die. Up to 4 players may join in the fun.

No. 1731 WILD LIFE LOTTO

The Lotto game for the young. 48 beautifully colored illustrations of wild animals and birds, to be identified and covered by corresponding small cards. An informative description of each animal appears on the back of every card. A truly educational game for the recognition of animals usually seen in Zoos. 2 - 5 players, ages 5 upwards.

SPEARS GAMES

MADE IN ENGLAND

CREATIVE HANDICRAFTS WITH WOOL AND YARN

Children will have fun while making useful household items. Scarves, mats and pot holders are just a few of the many attractive items that can be made from this easy-to-operate English Weaving Loom. Illustrated pattern book, instructions, heddle and 2 shuttles are included.

CLOCK PUZZLE**

7 1/2" diameter

A wonderful way to learn time. Wood Clock has hands that can be moved independently. Each gothic numeral will fit only where it belongs.

No. 4445 TOY LOTTO

Five plywood boards, 5" x 8-3/4", that have 10 colorful pictures of various toys each. Also included are 50 corresponding plywood tablets 2-3/8" x 1-5/8" in size, to match the pictures on the big boards. Individually boxed.

No. 4446 SHOPPING LOTTO

3 sets of 5 wooden boards, 2 1/2" x 2 1/4". One board in each set is the picture of a shopkeeper. The other 4 boards in each set show the wares he sells in the shop. The child simply matches the shopkeeper to his wares. Beautifully illustrated. A game for playing and learning. Individually gift boxed.

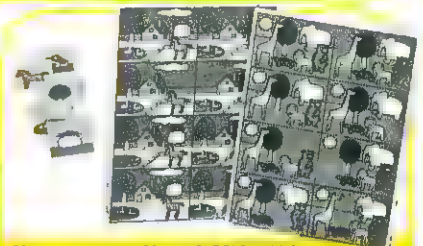

No. 4450 NUMBER LOTTO

Designed to stimulate a child's mind by having him count the objects, thereby associating them with the appropriate number. Consists of five 8-3/4" x 5" plywood boards that show 10 colorful pictures of number groups from 1 to 10. Each number set is represented by a different object on each board. Also provided are 50 corresponding plywood pieces 2-3/8" x 1-5/8" in size, to match the pictures on the big board.

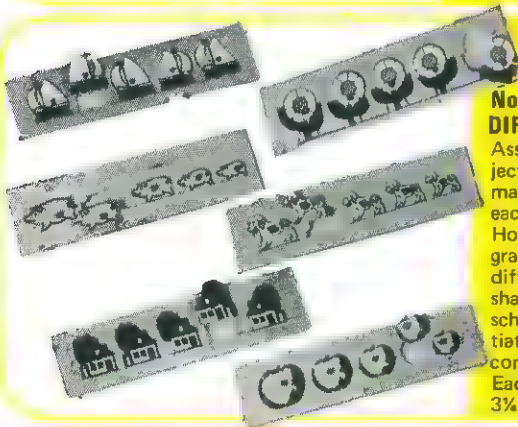

No. 4460 - HOUSE LOTTO

This game teaches youngsters visual discrimination of small details. It consists of 2 multiplex boards, size 6 1/2" x 7", each with 6 houses on it, differing from each other by the position of the door, chimney or windows. Also included are 12 exact reproductions of the houses on smaller plywood pieces, size 2" x 3 1/2", to be placed on top of the corresponding houses on the large boards. Attractive, illustrated box.

No. 4470 - WHAT'S MISSING?

This remarkably illustrated new game is perfect for stimulating a child's sense of perception. Includes 2 hardwood boards, 10 1/4" x 7 1/2", each with 8 different pictures in full color. Every picture has a different object missing. The child must find "WHAT'S MISSING?", by placing the 16 different plaques so that they correspond with the pictures on the board. 16 additional plaques supply the missing pieces for the successful completion of the pictures. Each set is individually packaged in a colorful box.

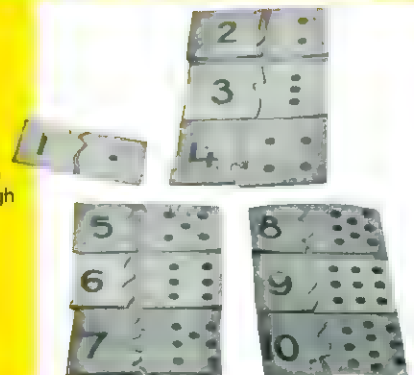

No. 4436 DIFFERENCE PUZZLES

Assortment of 6 subjects. A tiny little knob makes it easy to lift out each object. Sailboats, Houses, etc. are either graded as to size or just different enough in shape to teach preschoolers to differentiate when trying to complete the puzzles. Each plaque is 10 3/4" x 3 3/4".

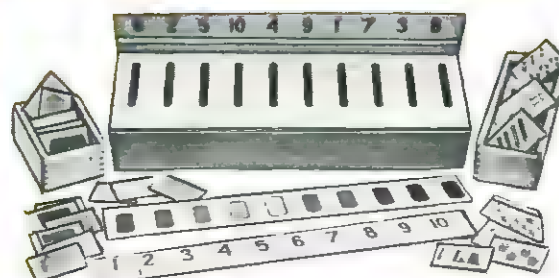

No. 4410 WOODEN COUNTING BOARDS 1 - 10

Counting in puzzle form to teach basic numbers through dots and numerals. Will stimulate a child to learn through association. Each set comes in a handsome wooden storage box.

No. 4467 SORTING BOX COMBINATION

Ingeniously designed to teach colors and numbers. Provided are a color header panel and a set of colored wooden insert strips; also a number header panel with a set of 50 insert strips showing pictures of different objects varying in quantity from 1 to 10. The lid on the master-box allows for double checking and removal of insert strips for the next experiment.

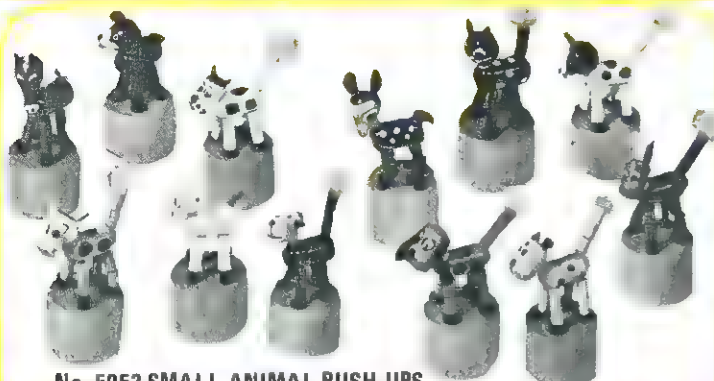

WOODEN TOYS

NewBorn®

THE ORIGINAL SLEEPING
DOLL WITH MUSIC
AND ANIMATION

No. 1577 NewBorn

Unbelievably realistic. Self-contained music plays a gentle lullaby. Her pink angel head moves slowly from side to side—just like a real infant's. Children, and adults too, are spellbound in her presence. Dressed in gay flannel pajamas. Pink, blue, 11".

SHE STRETCHES
AND TURNS
LIKE A REAL
BABY
